E-Discovery

Basics for Small Firms.

What does a small firm need to know to manage a case with an e-discovery component? **Joshua Ross** of Stoll Berne will moderate a panel discussion on techniques and strategies to secure, store, organize, request, and work with electronic documents from the perspective of plaintiff and defendant.

The panel of speakers includes:

Haze Moss, a manager of Bridge City Legal, a home-grown full service litigation support vendor with extensive e-discovery facilities.

Nicole Ciccarello, an experienced civil litigation paralegal with a defense emphasis, who became an early e-discovery specialist and consultant. She now works for the Federal Public Defender's Office.

Gary Hardiman, the senior legal assistant at Esler, Stephens & Buckley. He graduated from UCLA's graduate-level paralegal program in 1977 and later became an instructor. Gary has worked as a supervising paralegal for the firm of Tuttle and Taylor in Los Angeles and as the manager of an international nonprofit's legal department. He is also an author and FINRA arbitrator.

Appetizers are included and a cash bar will be available.
